### Peace of mind for landlords

As our landlord you can have your interest noted in our Rent Recovery Plus policy. You don't have any rights under the policy, but if your tenant does fall into arrears and your agent makes a successful claim under the policy, any sums recovered that are due will be passed to you. HomeLet will write to you directly to confirm your interest in this once a policy has been arranged.

Subject to satisfactory referencing – an acceptable Enhance reference or if an Insight reference has been completed, a tenancy application score of over 710 is required, only available for UK applicants in full time employment. A HomeLet Insight reference is not a satisfactory reference for a nil excess product or where the monthly rent is over £2,500 a month. We will also accept satisfactory references by other licensed referencing services that have been approved, in writing, by HomeLet.
